WBAI Goes to Bermuda

—at prices even a subscriber can afford—

Steve Post and Frank Millspaugh are taking off Labor Day week from their arduous duties to cruise to Bermuda aboard the Holland-America Line's *S.S. Ryndam*. They are extending an invitation to you to join them.

The *Ryndam* leaves New York on Saturday, August 30th, at noon, and arrives in Bermuda on Monday, September 1st, at 11 a.m. Passengers will spend 2½ days in Bermuda using the ship as their hotel, and will leave the island for the return trip to New York on Wednesday, September 3rd, at 2 p.m. The *Ryndam* will arrive in New York at 1 p.m. on Friday, September 5th.

In case you were unaware of the virtues of Bermuda, it's Britain's oldest self-governing colony, located on the Gulf Stream, built on and of pink coral, blooming, beach-laden and full of duty-free French and British merchandise. It's a very nice place, as a matter of fact.

Prices for the cruise range from $160 to $230 per person. This amount includes your cabin, meals (the *Ryndam* features both European and Indonesian cusine), an outdoor swimming pool, a theatre, lounges, bars, a library — and special dances and other privileges for WBAI's own guests , *plus tipping* for the entire week.

The *S.S. Ryndam*, registered in the innocuous Netherlands, meets international safety standards for new ships developed in 1948 and meets the 1966 fire safety requirements. It is air-conditioned throughout and stabilizer-equipped. It is also, in our official and considered opinion, a very groovy ship.

If you're interested but undecided, call 265-6088 for more information. Otherwise use the coupon below.

JULY GOALS

As this is written—June 10— the May Marathon has not yet ended but it looks and close we're now concentrating on July financial goals. For operating expenses during July WBAI needs $26,000. This represents 700 new subscriptions and the renewals of 1,250 subscriptions that will have elapsed. Because the Subscription Dept. is in the process of moving, sponsors whose subscriptions are elapsing may not have received their renewal notices. If you want to see what your sub status is, just look at the address label on this Folio. If it says "Elapsing" or "Elapsed," you can renew by using the label on page 23. Put it—with appropriate information—together with your current label in an envelope, along with a check for the appropriate amount of money and send it to us at 359 East 62nd Street, New York, N.Y. 10021. (That's our new address).

Incidentally, if you have questions to ask our Subscription Dept. (such as where your Folio is this month), would you please **write** them at the above address? At the present time we have only one phone (826-0880) for the whole non-broadcasting staff and you're likely to get only busy signals if you call us. Try to bear with us for the next couple of months—we'll be crowded, hot and probably trigger-tempered. It will be great to be in a new permanent building but living conditions will be difficult at first.

For daily reports on our financial progress, listen to the tallies given just before the **6:30 News.** For weekly summaries of finances and reports on how we're settling into our new home, tune in on **Report to the Listener,** every Tuesday at 7:00 p.m. (rebroadcast Wednesday mornings at 9:00 a.m.)

JULY COVER

The cover and assorted photographs in this issue were donated by Anna Kaufman, whose work has appeared in many national magazines. Miss Kaufman has had several exhibitions of her work in and around New York. She is currently working on a book and will have a one-woman show, entitled "Crisis and Hope in the City" at the Interchurch Center at Riverside Church opening August 5.

JULY PROGRAMMING

Programs for July are a mixture of important items that were not broadcast during May or June due to the extended length of the Marathon and some new items that were produced despite it.

Bill Schechner, who has been working in the Washington Bureau, will become a member of the New York staff this month and you will be hearing from him on **Public Affairs Specials.**

Because the Supreme Court has recessed, there will be no **Judicial Review** programs until the Court reconvenes. Its summer replacement (which may well become a regular program) is **Military Monitor,** a twice-a-month look into the doings of the Pentagon.

On July 7, the News and Public Affairs Department will inaugurate what we hope will be a continuing series of programs done live in cooperation with the Canadian Broadcasting Corporation. The first program, **Resistance and Exile,** will be a kind of celebration of the one-hundred-and-ninety-third birthday of the United States of America.

From the Drama and Literature Dept. in July comes a Mind's Eye Theatre production, an experimental flight by the Word Players into the realms of chance. Done in its usual style of orchestrated voices, the readings are all **on chance** read **by chance,** the mechanics of which (a kind of tape wheel of fortune) are completely audible to the audience. In fact, the entire hour-tape is totally unedited, and process becomes a part of the creation.

The department notes also a CBC production on the great seal hunt which caused a stir some months ago, **Business or Brutality?,** to be heard on July 5; and a program concerning the continuing war of the artist against the art establishment, **Open Hearing of the Art Workers Coalition,** to be heard July 12. Finally, they would like you to notice **The Asian Shore,** a long short story read in two parts by the author Thomas M. Disch. His recent novel, **Camp Concentration,** caused a stir in England and America; **Punch** said that it was "literate and stylish as well as convincing and exciting" and WBAI's Martin Last said "there is a lapidary quality here, a word/jewel maker at work." This new story of Mr. Disch's is unpublished as yet; a literary "premiere" for listeners.

The Music Department has rescheduled the day-long series of concerts by M. S. Subbulakshmi that were not heard because of the Marathon, as well as the **Tribute to Sonny Boy Williamson** and **Boogie, Chillun.** Music has also rescheduled this month the series of **Evenings on the Roof with Harry Partsch** that were heard here a few years ago.

The Music Department's replacement for Elisabeth Vandermei's **Sounds of Today** is entitled—for this month only—**New Jazz Sounds;** in August, and from then on, its name will be **Jazz, ETC.** Eric Raeburn, the producer and presenter of the program, informed us—a little too late for listing in the program schedule—that his first two programs this month will feature a) Pharoah Sanders and his new album, **Karma;** and b) a memorial to John Coltrane on the anniversary of his death. Eric, who was asked by Elisabeth to take over her program when she left New York, has done Saturday afternoon jazz programs for the station in the past and has taught courses on Contemporary Jazz in the Experimental College of Queens College.

The number tape determines who will read and what will be the material. The players decide how to do the readings. The director decides when to stop and start the numbers. This recording session took one hour and has not been cut. David Haight, Sandra Ley, Sherry Pockell, Ann Rivers, Judith Seto, Edgar Walker, Charles Wallrich are the players. SATURDAY, JULY 5

8:00 M.S. SUBBULAKSHMI At the end of May we scheduled a whole day's worth of music programming by an Indian lady known, rather improbably, as M.S. Subbulakshmi. She is a singer and probably the best-known and best-loved musician in her native country and we think, as one of the world's great musical artists, she ought to be better known here. Since she was one of our most regretted Marathon casualties, we are rescheduling her throughout today's programming.
